CARTE POSTALE.

POSTKARTE.

The Plague House, Eyam. This is the residence of the Rev. Mr. Mompesson, the devoted Rector of Eyam, who (with his wife) for two years lived among his parishioners in the plague-stricken hamlet above the Derwent valley, until the pest ceased in October, 1666, leaving 91 survivors out of a population of 350. The churchyard contains the tomb of the rector's courageous wife, who died in the second year of the pestilence.

(FOR ADDRESS ONLY.)

Si le temps ne fait pas beau,
notre petite mère ne viendra pas,
car elle n'a pas été bien, mais
si le temps fait-bien, possiblement
elle vient. J'espère que vous portez
vous très bien, cher, vous. Vous me
verrai bientôt! Remoy, vous cette
maison? Quelle nomme! Je ne sais pas
où c'est, en Angleterre, je crois. Maud
va mieux, j'ai beaucoup de plaisir de
vous dire. Pensez vous que le facteur a compris?
